

OUR REF: REREC/GM-RERD/025/Vol.1

21st September, 2023**Prof. Fenyu (Grace) Zeng, Ph.D.**

Director, International Exchange and Cooperation Office

Shanghai University of Electric Power

1851 Hucheng Road, Pudong District

SHANGHAI, CHINA 201306Dear **RE: PROPOSED VISIT TO REREC BY THE SHANGHAI UNIVERSITY OF
ELECTRIC POWER (SUEP) DELEGATION**

Reference is made to your letter dated September 13, 2023 on the above subject matter.

REREC is delighted to welcome and host the noble delegation from the Shanghai University of Electric Power (SUEP) led by the SUEP's Vice President in its offices at the KAWI Complex in Nairobi.

We hereby write in acknowledgement of the visit agenda and the discussions centered on meaningful collaborations between REREC and SUEP in the stated subjects;

1. Training and capacity building
2. Joint research program on Agricultural Power and New Energy
3. Participation of our senior & middle management in the SUEP's *2024 International Workshop for Senior Personnel in the Electric Power Sector.*

In addition, the corporation appreciates the invitation of Eng. Fred Ishugah- General Manager, Renewable Energy Research & Development to visit Shanghai and SUEP under the care of SUEP.

This is therefore to confirm acceptance of your visit proposal and confirm the visit time; 20-23 November, 2023.

REREC welcomes you SUEP delegation in anticipation of a fruitful engagement and future collaborations in furtherance of its mandate; to provide sustainable energy solutions for all through rural electrification and renewable energy for social economic transformation.

Yours 

CPA. Peter K. Mbugua

CHIEF EXECUTIVE OFFICER
