## Program Overview

### Study Tour program

Prior to arriving in Australia you will be sent an online placement test (OPT). Once you have completed the OPT, the Manager of Study Tours and class teachers will plan lessons according to your proficiency.

The program is developed and tailored to your specific English language needs. The main focus of UWA CELT classes is to develop confidence in all areas of the English language including writing, reading, listening and speaking and to be able to use English in a variety of situations while improving your overall English language proficiency skills.

The theme of all class activities center around Australian cultural topics such as Indigenous Australian people & culture, Australian environment and native animals, and famous Australian people and places. Pronunciation activities and conversational English is also included to improve fluency.

In addition to Australian cultural & language classes, we incorporate opportunities to interact with UWA-CELT students and native speakers as much as possible.

### Expectations

To make the most of your time here, we ask that you observe the following:

- ❖ Behave in a respectful manner towards all UWA-CELT staff, homestay providers and host families, tour operators and guides and fellow students at all times
- ❖ Attend all classes and participate fully in those classes according to the directions and requirements given by the teacher for that class
- ❖ Complete all homework by undertaking tasks set by class teachers
- ❖ Contact the office if you are sick or not able to attend class (our receptionist Moo can also help you make an appointment to see a doctor)

### SmartRider

Perth public transport now utilises a SmartRider system which means you do not have to purchase a ticket each time you travel, you just need to purchase a SmartRider and add money to this card.

To obtain a SmartRider, you will have to complete an application form. On your arrival at our Centre we will provide you with this card along with your student card.

On the first day of your program your helpful teaching assistants will take you to the campus newsagency, during orientation, where you can top up your credit, if needed, or hand in a new application form should you lose your SmartRider card.

***You should always carry both your SmartRider and your student card with you.***

If you run out of credit on your SmartRider there are a number of different ways you can add value either as you enter the bus (you must use a note i.e. \$5, \$10) or through the newsagency on campus, and the teaching assistants are happy to show you how. On your first bus trip, your friendly teaching assistants will also show you how to use your SmartRider on future journeys.

For more information regarding SmartRider, please visit [www.transperth.wa.gov.au](http://www.transperth.wa.gov.au) and follow the link to SmartRider.
